

Terms and conditions

Aereon GbR Masterclass Respiratory Trialist as of NOV 2015 to MAR 2019

General terms and conditions regarding the attendance at seminars of Aereon Consulting&Pharma Services GbR (hereafter called "AEREON").

I. General provisions

1. Scope

The regulations stated in the application form (e.g. in printed brochures or online at www.aereon.de) apply to the contracts regarding the attendance at AEREON events as well as the following contract conditions. An agreement regarding the attendance at AEREON events is only valid after AEREON has confirmed the participant's application in writing. All contract modifications or amendments must be made in writing. Verbal agreements are only binding if AEREON confirms them in writing. The same applies to this clause.

2. Registration cancellation by the participant

a) General

It is possible to cancel the attendance until 14th of August 2015 (13 weeks prior to the respective event) for an administrative fee of € 50.00. For cancellations until 9th of October 2015 (6 weeks prior to the event) half of the attendance fee will be charged; after that date the whole attendance fee must be paid.

b) Cancellation in case of a discount agreement

If the participant has been granted a discount by AEREON, said discount will only apply to the performance of the contract. Should the participant cancel the event, the cancellation fee as outlined above will be calculated according to the full event participation fee.

c) Deadline and form of cancellation

In order to keep the deadline, cancellations have to be submitted per mail, e-mail or fax, to the attention of the named registration contact.

3. Prices and fees

The prices and fees stated (including the cancellation fees) are net prices; applicable VAT must also be paid.

4. Cancellation of events by AEREON

AEREON may cancel an event due to commercial or organizational reasons. In this case, AEREON will refund all attendance fees which already have been paid. No additional remuneration can be claimed due to the cancellation unless as provided for under section 5 below. AEREON will not refund any additional charges arising from the participant having to cancel or rebook transportation or accommodation which he or she arranged.

5. Liability

If essential responsibilities discussed in the contractual agreement are not involved, AEREON (both directly and for its vicarious agents) only assumes liability for damages which can be established as resulting from an intentional or grossly negligent breach of duty within the framework of the contractual agreement, and which are typical damages lying within the realm of the predictable. Should an event be postponed or cancelled due to force majeure, AEREON assumes no liability. AEREON does not assume liability for consequential damages resulting from possibly erroneous and/or incomplete contents of presentations and/or event documentation.

6. Changes to the event schedule

AEREON reserves the right to replace or remove individual presentations, provided such changes do not influence the overall character of the event.

7. Use of event documentation

Presentations and event documentation are protected by copyright law. Rights to their use may only be transferred through express written consent. Participants are not permitted to copy license materials distributed for informational, educational or training purposes. License materials are computer programs and/or other licensed data (or databases) in machine-readable form, and their accompanying documentation.

II. Provisions for special events and conditions

For the following event types, in addition to the general provisions listed above, the respective special provisions also apply.

1. Events including hotel accommodation

As the outlined event is offered by AEREON including hotel accommodation in a package price, cancellation policy under 2) applies to the whole event including accommodation. If a participant has booked additional overnight stays or a double room in a hotel, the cancellation policy of the respective hotel applies. If the event is cancelled by the participant or by the event organizer, the participant must personally attend to the cancellation of his or her booking.

III. Closing provisions

The place of jurisdiction is Wiesbaden, Germany.
